

Legal Requirement related to Environment, Health & Safety based on ISO 14001 and ISO 45001 Management System

Organized by

FICCI QUALITY FORUM with BCIC

Sep 23 - 24, 2019

Hyderabad

1. Introduction

Quite contrary to the popular perception, compliance to the Environment Health and Safety (EHS) regulations is not only required by companies certified to ISO 14001:2015 and ISO 45001:2018 but for reducing the business risk for any organization.

It has always been a challenge to those personnel, who are responsible to ensure effective compliance to the applicable Environmental and Health & Safety legal / legislative requirements in an organization. There is always a gap in terms of applicable EHS Legal Requirements and its compliance.

2. Course Objectives

The aim of the course is to provide a concerted and comprehensive training on legal requirements on environment, health and safety domain based on ISO 14001 and ISO 45001 Management Systems

3. You should attend this course if,

- ✓ You want to know the various legislations those are applicable to organizations
- ✓ You want to understand and interpret the reporting and complying requirements of legislations for an organization
- ✓ You want to learn to accurately fill in formats that legislations require us to report
- ✓ You want to understand how legal and other requirements are linked with ISO 14001:2015 and ISO 45001:2018 and how to use this knowledge for complying with these standards.
- ✓ You want to learn to face third party assessments and do Internal Audits for Legal and Other Requirements

4. Course Material

Course kit comprising detailed course material and International Standard ISO 14001 and ISO 45001 will be provided to each participant. Quality, Environment, Health and Occupational Health and Safety, HAZOP, Social Accountability,

5. Methodology & Certification

A judicious mix of class room presentations, exercises, group discussion, case studies and hands-on practice will be used. Participants will be encouraged to relate the learning to live situations.

Participants who successfully complete the continuous assessment during the course and also the written examination conducted on 2nd day of the course will be issued a certificate by FICCI.
