## IRCA UK Approved ISO 14001:2015 Environment Management Systems (EMS) Transition Training

Nov 02 – 03, 2017

# Introduction

ISO 14001, is the international standard for Environmental Management Systems (EMS) helps organizations identify and systematically reduce any harmful effects on the environment. Revised standard has been written using a new high-level structure found in all new management systems standards allowing for easy integration with other standards within an organisation's management system. This course will explain the requirements of the new standard and give you the information required for successful transition to ISO 14001:2015. At the end of this course delegates will be able to:

- ✓ Understand the purpose and use of annex SL.
- ✓ Understand outline the framework for a generic management system.
- ✓ Understand the new and revised terms and conditions.
- ✓ Understand the new requirements relating to the context, leadership, planning and support in Annex SL Appendix 2.
- ✓ Understand Transition arrangements from ISO 14001:2004 to ISO 14001:2015

## ABOUT FICCI QUALITY FORUM

FICCI Quality Forum (FQF) is a specialized division of Federation of Indian Chambers of Commerce and Industry (FICCI) set up with main objective to sharpen the competitive edge of the Indian Industry. FQF provides training, consulting and research services focused on enhancing the quality quotient of clients and partner organization.
