

ZED Consultant Training Program

Mar 12-16 2018 Lucknow

Introduction: The Zero Defect and Zero Effect (ZED) Certification Scheme is an extensive drive of the Government of India to enhance global Competitiveness of MSMEs by providing them financial support in assessment, rating and hand holding of its manufacturing processes on Quality and Environment aspects. The complete details along with the scheme guidelines are available at www.zed.org.in. FICCI in association with QCI is carrying out these training programs for ZED Master Trainers, Assessors and Consultants under the scheme of Ministry of Micro, Small and Medium Enterprise (MSME).

The initiative is under one of the various activities carried out by the Ministry through building capacities of individuals, accredited agencies or bodies by training & certifying assessors & consultants for site-assessment & handholding.

This training aims to inculcate Zero Defect & Zero Effect practices in manufacturing processes to ensure continuous improvement and supporting the Make in India initiative of Govt of India

Objective of training: This training aims to inculcate Zero Defect & Zero Effect practices in manufacturing processes to ensure continuous improvement and supporting the Make in India initiative of Govt of India

The professionals undergoing this 5-days training program shall be better placed to handhold and provide consultancy services to more than 20000 SMEs.

Methodology: A judicious mix of presentations, exercises, group discussion, relevant case studies and Hands-on practice will be used. Participants will be encouraged to relate the learning to live situations. The trainer is a Master trainer under the ZED program has successfully conducted over 25 programs.

You should attend the program if:

- You want to become approved trainer for conducting similar program in future
- You want to become approved consultant to provide consultancy to SMEs for implementation of ZED
- You are willing to introduce ZED as a module in your institute course curriculum
- You are involved in implementing ZED in your organization
